**HEALTH + WELLNESS INITIATIVE**

*Rosarian Academy, serving students from 12 months to 8th grade, is an independent, coeducational Catholic school sponsored by the Adrian Dominican Sisters. Its mission is to educate the whole person for life in a global community in the light of Gospel values.*

Providing food allergy awareness, EpiPen Auto-Injectors, health training, and wellness presentations each year at Rosarian Academy.

## Oakley Gage Debbs

June 27, 2005 - November 26, 2016

Oakley Debbs, while on vacation with his family, lost his life due to a fatal anaphylactic reaction resulting from a mild nut allergy. He was actively enrolled at Rosarian Academy as a 5th grader, alongside his twin sister, Olivia. The loss of Oakley shook our community to the core. We will always remember Oakley

as an athletic, strong, kind, young man who loved to wear his red sneakers. This initiative is in loving memory of Oakley.

### The goal of the **Health & Wellness Initiative** is to provide:

- +** Continual food allergy awareness for the Rosarian community
- +** CPR, AED & allergen training for all faculty/staff annually
- +** EpiPen Auto-Injectors and cases
