

Rosarian Academy Partnering with GreatEats Cafe

Dear Rosarian Families,

The New Year brings us a new partnership with www.GreatEatsCafe.com. GreatEats is a family-owned and local company that strives to provide healthy, nutritious, and tasty meals for schools. GreatEats uses a combination of fresh ingredients and a rustic homestyle menu.

With this new partnership, new student lunch accounts need to be set up using GreatEats' online service to prepay for lunches. This service offers you the ability to monitor your children's lunch purchases, track what your children have been eating for the past 30 days, make deposits directly into their lunch accounts, transfer funds between students. Student debit account deposits can be made through credit card or cash payments. Each child's account will be updated nightly so the account balance will be current the following day.

All Rosarian Academy families who wish to purchase lunches at any point moving forward need to create a parent account as follows:

1. Go to www.GreatEatsCafe.com and click on "Schools" on the top menu bar. Then select "Sign Up/Sign In."
2. Fill in the required information on the "Parent Account Sign-Up page."
3. Create a User ID and Password
4. Click the "Accept" box, and then click "Signup." An email will be sent to your email address that will contain a "verification code".
5. Enter the "verification code" to verify your account and email address.
6. Begin adding your child(ren)'s information according to the guidelines provided. You will need each of your children's student ID** numbers as well as their initials to add each student.
Student ID's are found in [Raider Connect](#) (under your child's "Contact Card," then "General Information"). You may only have one account attached to your student. Once a student is claimed, s/he cannot be claimed again with a different email address. A parent account can be linked to many children, but a child can only be linked to one parent.
7. Once students are added, you will be able to view their lunch account activity and make payments to their lunch accounts.

Please use our [YouTube channel](#) for detailed instructions as well as a visual walk through of the system.

We urge you to take full advantage of this system by making deposits into your children's accounts on a weekly, monthly, or annual basis. You are free to choose the amount of each deposit. There will be a \$1.00 per transaction convenience fee as associated with each (Online) deposit. This is a third-party charge for convenience of using the online account and does not go to GreatEats Cafeteria.

***GreatEats Cafe will be offering a discounted price for prepaid meals for the second half of the year. Please inquire by calling 561-283-9521. The discounted price will only be available through Sunday, January 17, 2021.**

Any money that is not spent by the end of the school year will be refunded. If you have any questions, please contact:

Chef Rob at 561-283-9521 or info@greateatscafe.com.

Note: GreatEats operates a breakfast and lunch restaurant in the city of Greenacres. Rosarian Academy students eat half off with the purchase of an adult meal.

Sincerely,

Chef Rob
