**Middle School Alpha Chess Academy meets in the morning from 7-7:45 a.m.

Sessions run January 16 - March 14, 2024 for 9 weeks (due to half days and holidays, there will be 7 Monday and Friday sessions).

RITA winter/spring programs run January 16 - March 14, 2024. The cost is \$30/session (\$25/session for CH karate due to a shorter program time & \$30 for belts in karate built into the total price), and the total cost listed below accounts for sessions that will be missed due to no school or half days. Students not being picked up at the conclusion of the program MUST register for Aftercare in advance as spaces are limited and cannot always be offered the day of.

Register online: www.rosarian.org/RITA

RITA Winter Session Descriptions

Course Description	Cost
Art: Adventures in Process Art Process art is focused on the creation of the artwork, not on the outcome or product. This session encourages students to use materials in unique ways and take creative risks.	K-5th \$210
Art: Fairytales and Fantastical Creatures Students will get to explore a variety of medium, from paints to pencils to markers and maybe even clay as they craft fairytale characters and fantastical creatures in this fun opportunity to "brush up" on their art skills!	CH-3rd \$270
Math Games & Enrichment Are you ready to embark on a thrilling journey into the fascinating world of math? Look no further! I invite twelve 3rd grade students (Tuesdays) and twelve 4th grade students (Thursdays) to join Ms. Pelletier from 3:15-4:15 for an extraordinary math experience filled with engaging games and valuable enrichment activities. The math sessions will feature a wide range of games and activities that will challenge and excite students. From problem-solving puzzles to strategic board games, students will have the chance to apply their math skills in a dynamic and enjoyable setting. These games will not only reinforce key mathematical concepts but also enhance critical thinking and problem-solving abilities. Don't miss out on this incredible opportunity to have fun with math while boosting your skills and knowledge. We look forward to seeing you in Ms. Pelletier's math sessions on Tuesdays (for 3rd graders) or Thursdays (for 4th graders). Get ready to unlock the mysteries of math and discover your inner mathematician!	3rd \$270 4th \$270
