

FIELD DAY DONATIONS FOR HURRICANE HELENE VICTIMS

Every year during Field Day, we come together with a mission to collect canned goods for our local community. However, in light of the recent devastation caused by Hurricane Helene, we have decided to shift our efforts to assist those in North Carolina impacted by the storm's destruction.

This year, we are partnering with the Wren Family and Catholic Charities to gather essential items for families in North Carolina who have been severely affected by the hurricane. Instead of canned goods, we kindly ask that you donate items from the list below to support this urgent cause.

Items can be directly shipped to the address below, but please ensure delivery is available, as some carriers may not be operating in affected areas.

If delivery isn't possible, please bring all goods to Rosarian until further notice, and we will work diligently to get them to North Carolina as soon as possible.

Ship to:
Allison Wren
66 Cardinal Drive West, Lake Toxaway, North Carolina, 28747
